Attention Provider Types 19 (Nursing Facility) and 65 (Hospice, Long Term Care):

State Fiscal Year 2021 Quarter 4 Rate Updates Implemented and Impacted Claims Reprocessed

The State Fiscal Year 2021 quarter 4 rate updates were implemented for free-standing nursing facilities for standard bed day services. Impacted provider types (PTs) are 19 (Nursing Facility) and 65 (Hospice, Long Term Care). The updated rates were effective on claims with dates of service on or after April 1, 2021.

Claims with dates of service on or after April 1, 2021, that processed on or after April 1, 2021, through April 22, 2021, and paid the previous rates have been automatically reprocessed to adjudicate with the quarter 4 rates. Results of the reprocessed claims appear on remittance advices dated August 20, 2021.

Please note: When claims are reprocessed, please be aware that all system and clinical claim editor edits are applicable. As a result, there may be no additional payment, and other claim denials may be received. Providers have the right to appeal denied claims, including those denied upon reprocessing. Please refer to [Medicaid Services Manual Chapter 100](#) and the [Billing Manual](#) for information concerning the claim appeal process and time frames.
